This grand edition brings together the foundational sacred scriptures and epic literatures translated into and preserved within the Tangkhul Naga language:

1. THE HOLY BIBLE (VARIVARA WUI TUI KATHARA)

3. THE MAHABHARATA (MAHABHARATA WUI KHARARCHAN)

The epic of the Five Pandavas, the game of dice, forest exile, the Kurukshetra War, and Bhishma's Shanti Parva.

4. THE SHRIMAD BHAGAVAD GITA (KRISHNA-ARJUNWUI TUI-NGAZEK)

The eighteen-chapter philosophical dialogue on Karma Yoga, Bhakti Yoga, Jnana, and the supreme surrender.

HISTORICAL & LINGUISTIC SIGNIFICANCE:

* Preserves Rev. William Pettigrew's pioneer 1896-1927 translations.
* Incorporates CIIL Mysore & Bharatavani trans-lingual documentation.
* Showcases Tangkhul's rich capacity for deep philosophical, theological, and epic expressions.
